## **Call for abstracts**

**Dear colleagues!  
We invite you to participate in the  
International Scientific and Practical Conference**

**" SOCIO-LABOR SPHERE IN THE COORDINATES OF THE NEW  
ECONOMY AND THE GLOBAL SOCIO-ECONOMIC REALITY:  
CHALLENGES, WAYS OF DEVELOPMENT "   
11-12 November 2020**

**KYIV, KNEU - 2020**

The conference is timed to the 55th anniversary of the Department of Personnel Management and Labor Economics

**Conference form:** online.

**Thematic areas of the conference:**

*Section 1. Socio-labor relations in the new global socio-economic reality: the search for a new paradigm of development*

- Man in the coordinates of the new economy and the global socio-economic reality.
- Employment 2020: global change, constraints, development model.
- Social dialogue and social partnership: transformation of existing and search for new "pillars" of development.
- Innovative mechanisms and tools for regulating social and labor relations.
- Decent work as a determinant of social quality: lessons for Ukraine.

*Section 2. Personnel management in the face of new challenges*

- "Labor 4.0" as a paradigm and platform for building modern social and labor relations.
- Labor management: organizational, economic and socio-cultural dominants, innovative forms and mechanisms.
- Social responsibility of man, business, state, institutions: "reformatting" in the new socio-economic reality.
- Model of employee competences in the digital age: challenges for education, potential opportunities for employers.

*Section 3. Social sphere: challenges and determinants of development*

- The welfare state as an institution for overcoming global threats in the field of labor and employment.
- New socio-economic reality: challenges and opportunities, renewal of the social contract.
- The new economy as a phenomenon of the first half of the XXI century: the social and labor dimension.
- Social quality in the new socio-economic reality: to find a new model.
- Social sphere: security dimension.

*Section 4. Working conditions and safety in the conditions of epidemiological restrictions 2020*

- Occupational safety in the context of epidemiological constraints: analysis of practices, impact assessment.
- Model of safe and restorative development of the organization

**Program of the conference:**

**11.11.2020**

10.00 - 13.00: Plenary session of the conference.

13.00 - 14.00: Break

14.00 - 17.00: Plenary session
